MHI WARRANTY TERMS & CONDITIONS

At Beijer Ref UK & Ireland, our aim is to ensure that our customers have the best possible support to ensure customer satisfaction at all times. All of the products sold by Beijer Ref UK & Ireland are subject to our standard Terms and Conditions of the sale.

Warranty on MHI Air Conditioning product groups will be as follows:

STANDARD 5 YEAR WARRANTY (PARTS ONLY)

This applies to all finished products contained within the Mitsubishi Heavy Industries range. The five year period commences on the date of invoice and covers the replacement of faulty components provided they are returned within 21 days.

Should a replacement part be deemed as unobtainable within a reasonable period, a commercial decision will be made as to how to resolve the issue to a satisfactory standard.

EXTENDED WARRANTIES

Beijer Ref UK & Ireland offer extended warranty provision to Dealers (up to 7 years**) and Partners (up to 10 years) as part of the MHI 3 Diamond Loyalty Scheme.

For 10 year warranty all jobs will need to be registered and commissioning documents uploaded via the members area on our website.

GENERAL CONDITIONS

Warranty is held with the F-Gas registered purchasing contractor and is subject to installation & commissioning by a suitably qualified and certificated engineer in accordance with the manufactures instructions. All products must be under a comprehensive service management agreement for the entire warranty period with the purchasing contractor. The warranty provision is non-transferable.

WARRANTY CLAIMS

All Warranty claims must follow the procedure detailed in our Terms and Conditions of sale. Before making a claim, in the first instance discuss any problem with the MHI Technical Support Team on 0330 123 5598.

SPECIFIC EXCLUSIONS TO WARRANTY CLAIMS

The following are specifically excluded from any warranty claim:

- Labour*, travel and accommodation expenses.
- Installation and service materials. Crane Hire.
- Portable or replacement equipment hire.
- Failures deemed to be the result of poor installation.
- Failures on a product that is not covered by a comprehensive service maintenance agreement.
- Failures as a result of any interruption in mains power electrical supply, incorrect mains power supply, circuit breaker selection or distribution board installation.

* A fixed labour contribution is available for 3 Diamond Partners (Splits & VRF products).

** VRF 10 Year Warranty subject to invitation and approval.
